Kentucky Board of Education

Department of Education

(Amendment)

703 KAR 5:140. Requirements for school and district report cards.

RELATES TO: KRS 158.6453

STATUTORY AUTHORITY: KRS 158.6453

NECESSITY, FUNCTION, AND CONFORMITY: KRS 158.6453(7) requires the Kentucky Board of Education to promulgate an administrative regulation to define the implementation and the components of a school and district report card that clearly communicates with parents and the public about school and district performance. This administrative regulation establishes the standards for a school and district report card.

Section 1. Definitions. (1) "Average student/teacher ratio" means the total enrollment of the school (end of year membership) divided by the number of teachers on a full-time equivalent (FTE) basis, not including administrators, guidance counselors, or media specialists.

(2) "Average years of experience" means the average number of years of professional experience of classroom teachers excluding certified staff such as administrators, guidance counselors, or media specialists.

(3) "Base year" means the academic year immediately preceding the publication of the school report card components.

~~(4) ["Certified teacher" means a classroom teacher certified by the Education Professional Standards Board to teach the grade level and subject matter being taught in the class to which the teacher is assigned, including collaborating teachers, but not including administrators, guidance counselors, or media specialists.]~~

~~(5)~~ "Content-focused professional development" means professional development that is teacher focused, discipline-based and content grounded, and provides teachers with in-depth learning experiences in the chosen core discipline.

(5) ~~(6)~~ "District report card (base)" means the summary of district and school information that is required to be published in the newspaper with the largest paid circulation in the county in which the district resides.

(6) ~~(7)~~ "District report card (expanded)" means the compilation of information, including the district report card (base) and other information as required in Section 5 of this administrative regulation, including the disaggregated data elements, available for viewing in the district central office upon request by parents and public ~~[- copies shall be made available at no charge or at a charge not to exceed cost].~~

(7) ~~(8)~~ "School" means an A1 school as defined in 703 KAR 5:040, Section 1(1).

(8) ~~(9)~~ "School report card (base)" means the printed compilation of school information to be sent by the school to every parent or guardian with a child or children in a school.

(9) ~~(10)~~ "School report card (expanded)" means the compilation of information, including the school report card (base) and other information as required in Section 3 of this administrative regulation, including the disaggregated data elements, available for viewing in the main office of each school upon request of parents and public.

(10) [~~(11)~~] "School safety data" means a list of components as established in Section 2 of this administrative regulation, critical to providing for a safe school environment for students and school staff.

(11) [~~(12)~~] "Spending per student - district" means the total expenditures made divided by the total primary through grade twelve (12) end of year average daily attendance in the district.

(12) [~~(13)~~] "Spending per student - school" means a set of instructional expenditures established in "Calculation Procedures for Data Included in the School Report Card" incorporated by reference in Section 9 of this administrative regulation common to all schools divided by the total end of year average daily attendance of the school.

(13) [~~(14)~~] "Spending per student - state" means the total expenditures made divided by the total primary through grade twelve (12) end of year average daily attendance in the state.

(14) [~~(15)~~] "Total enrollment" means the number of primary through grade twelve (12) students enrolled in a school or district as reported by the local superintendent at the close of the year.

Section 2. School Report Card (Base). (1) A school report card (base) shall be sent to the parents or guardians of each student in a school by United States mail, unless a waiver is granted by the Department of Education for a proposal that is equally effective in notifying parents or guardians of the card and its contents. If a parent or guardian has more than one (1) child in the same school, one (1) report card may be sent to the family.

(2) A school report card shall include the following information:

- 1 (a) The name and address of the school, the name of its principal, and telephone, fax and

- (e) The executive summary from the district consolidated plans;
- (f) A listing of district average class sizes for core classes including reading, mathematics, science, social studies and writing at all grade levels, and, if feasible, arts and humanities and practical living and vocational studies classes;

(g) A school district technology report. The district technology plan as required by KRS 157.615 and 157.665 and the district technology and the learning interface section from the consolidated planning comprehensive needs assessment and any technology related action items included in this plan may be used to fulfill this requirement; ~~and~~

(h) The number and percent of students enrolled for a fifth year in the primary program in the district; and

(i) Copies of all base school report cards.

(3) Upon the implementation of a statewide student data base, the following shall be included in the expanded district report card:

(a) At the high school level, a list of the advanced placement subjects offered by grade, the total number of students enrolled in each advanced placement class, and these enrollments disaggregated by gender, race, and free and reduced lunch participation. The number of students who take the advanced placement tests and the average advanced placement examination scores by subject shall be disaggregated by gender, race, and free and reduced lunch participation;

(b) At the high school level, an indication of whether a Commonwealth diploma is offered. If offered, the numbers of students earning this diploma shall be disaggregated by gender, race, and free and reduced lunch participation; and

(c) The total number of students enrolled in the gifted and talented program in each of the following areas disaggregated by gender, race, and free and reduced lunch participation:

1. General intellectual;
2. Specific academic;
3. Creativity;

1 4. Leadership; and

2 5. Creative and performing arts.

3 Section 6. Reporting Requirements; Timelines. (1) Prior to printing, the school council,
4 or in the absence of a council, the principal, shall review and approve the school report
5 card (base) and school report card (expanded). The school report card (base) shall be
6 printed and shall be sent to parents and guardians having students in the schools.

7 (2) A school and district report card (base) may be placed upon the Internet on a site
8 maintained by the district and shall be linked to the official Department of Education
9 Website.

10 (3) District and school data supplied by the Department of Education shall be available
11 electronically to districts no later than November 1 of each year.

12 (4) A district shall have twenty-one (21) calendar days in which to report inaccurate data
13 to the Department of Education school report card help desk and to request that the data
14 be changed.

15 (5) The Department of Education shall have twenty-one (21) calendar days from the
16 receipt of the data change request from the district in which to either correct the data or to
17 report to the district that the data will not be altered.

18 (6) After all data alterations have been reported to the district by the Department of
19 Education and before the school report card (base) is sent to parents and guardians, the
20 district superintendent shall send a communication by letter, fax or e-mail to the
21 Department of Education accepting the data as amended.

(7) A school report card (base) shall be sent to all parents and guardians no later than seventy-seven (77) calendar days from the department's original release of data to the schools.

(8) A school report card (expanded) shall be available in the schools no later than the date when the school report card (base) is sent to parents and guardians.

(9) A district report card (base) shall be published in the newspaper with the largest paid circulation in the county no later than the second Sunday in February.

(10) A district report card (expanded) shall be available in the district central office no later than the date when the district report card is published in the newspaper, and the school (base and expanded) and district (base and expanded) report cards may be made available on the Internet.

(11) All school and district report cards shall be made available to the Department of Education upon request.

Section 7. Verification; Audits. The Department of Education shall conduct an audit of school and district report cards for compliance with the provisions of this administrative regulation. School and district report card components generated at the school and district shall be delivered to the Department of Education upon request.

Section 8. Noncompliance. (1) Noncompliance shall include:

(a) Failure to meet a publication deadline;

(b) Failure to mail school report cards (base) or to implement a Department of Education approved plan for distributing them;

(c) Nonpublication of a card component or components;

(d) Unauthorized alteration of data; or

(e) Falsification of data.

(2) If a school or district fails to meet the timelines for publication of a component of the school report card, it shall communicate by letter to the Department of Education, identifying the component and indicating when the component was or will be communicated to the appropriate public.

(3) If a school or district fails to mail the school report cards (base) to parents and guardians and does not have a waiver granted by the Department of Education for a proposal that is equally effective in notifying parents or guardians of the card and its contents, it shall determine which parents and guardians did not receive a report card and supply one (1) to each of them.

(4) If a school or district refuses to produce a required component of the school report card, the matter shall be referred to the Office of Communications [~~Division of Management Assistance~~] to investigate and make recommendations to the Commissioner of Education.

(5) If a school or district alters data supplied by the department without authorization from the department, it shall supply documentation to the department demonstrating the accuracy of its changes. If the documentation cannot be produced or does not support the alterations made, the matter shall be treated as the publication of incorrect data in paragraph 1 (e) of this section [~~subsection~~].

(6) If a school or district publishes incorrect information in a component of the report card, it shall supply corrected information to the audience that received the incorrect information, using the same medium by which it conveyed the original information. If there is reason to believe that the data error was intentional, the matter shall be referred to

1 the Office of Communications [~~Division of Management Assistance~~] to investigate and
2 make recommendations to the Commissioner of Education.

3 Section 9. Incorporation by Reference. (1) The "Calculation Procedures for Data Included
4 in the School Report Card", August, 2000, is incorporated by reference.

5 (2) This material [~~It~~] may be inspected, [~~and~~] copied, or obtained, subject to applicable
